**BOYLAN**  
CATHOLIC HIGH SCHOOL

## OUR MISSION

Boylan Catholic High School is a Christ-Centered Community dedicated to the education of the whole person and committed to truth, service and academic excellence.

# ANNUAL 2015 REPORT

This Annual Report is published by Boylan Catholic High School. Its intent is to accurately recognize stakeholders' gifts to students from July 1, 2014 to June 30, 2015 and to report on the Imagine Campaign ended December 31, 2015. Boylan's Advancement Office has made every effort to ensure accuracy and offers deep regret in the event of omission or error. Please contact the Advancement Office at 815.877.8008 with questions, concerns, or comments.

Dear Friends,

I am pleased to present you with this Annual Report for the 2015 fiscal year and recap of the *Imagine* Campaign completed December 31.

Every success Boylan Catholic enjoys is the result of school community efforts to provide excellent academic and extracurricular programs to our students, all of which are grounded in our Catholic faith.

Since 2010, the *Imagine* Campaign has provided the funding centerpieces of these efforts.

Through donor participation in the Annual Fund, we have been able to strengthen our excellent academic and extracurricular programs and to offer tuition assistance to families who desire a Boylan education. Donors who directed their gifts to the Boylan Educational Foundation established security for Boylan students, present and future. The Campaign's capital goals, particularly the Bachrodt Challenge, inspired many to support campus improvements and renovations, and construction of the two-court practice gym to be used by all our students.

Throughout this Annual Report, you will see pictures of campus improvements- renovation of the girls' locker room, redesign of the student entrance, and the addition of the Our Lady of Grace Grotto. Each time a campus space or facility was named, a dedication was held to mark its importance in our history. Those pictured are the David McCarthy Baseball Field, Voss Family Alumni Center, Msgr. Raymond Wahl Library, the Scandroli Family's St. Joseph, Patron of Families Chapel, and the Lou and Irene Bachrodt Center for Health and Fitness.

On behalf of our faculty, staff, and students, I thank each of you who played a part in the Imagine Campaign's success: the Imagine Campaign Leadership Committee who, over the course of five years, volunteered their time, talent, and resources, and inspired the same in others to work toward a goal bigger than themselves; donors - faculty, parents, alumni, friends - whose support allows us to have the ability to plan, implement and execute changes that our students of today and tomorrow deserve; and our students, who represent the best Catholic education has to give and who give back to the world with courage and compassion.

As long as Boylan Catholic continues to offer an excellent education guided by our Catholic faith in a supportive family environment, we will look to you, our donors, to join us in making a difference in our students' lives and guiding them to become Saints. Scholars. Champions.

# LOU AND IRENE BACHRODT

## DEDICATION JANUARY 19, 2016

The Lou and Irene Bachrodt Center for Health and Fitness was dedicated by Bishop David J. Malloy on January 19, 2016. The event also marked the culmination of the *Imagine* Campaign which began in 2010. The Bachrodt family, students, faculty and staff, donors, and members of the school's various boards were in attendance.

The Center, an 18,100 sq. ft. two-court practice gym, will provide greater practice space and availability for use by student-athletes as well as physical education classes. In other words, every Boylan student of today and tomorrow.

Lou and Irene Bachrodt were two of Boylan Catholic's earliest benefactors and stalwart supporters. The Bachrodt Center is the next step in fulfilling the dream of the Catholic community whose sacrifices built Boylan Catholic. It is also our legacy to those students who will follow us in striving to be Saints. Scholars. Champions.
