PHILOSOPHY

The school's philosophy and goals provide the educational focus and emphasis for students and faculty.

Boylan Central Catholic High School is a Christ-centered faith community which exists as a response to the mandate of Jesus: "Go and teach all nations..." Our purpose is to stimulate and guide students in their spiritual, intellectual, moral, emotional, social and physical development through the acquisition and use of knowledge.

In accord with the truths of the Catholic tradition, we base our teaching mission on the existence of God the Father, Son and Holy Spirit as proclaimed by the Roman Catholic Church.

Boylan also affirms the inherent dignity of every person; the God-given rights and consequent duties of citizens in society; the sacred right of the child of God to a Christian education; and the primacy of the parents in the education of their children.

SCHOOL HISTORY

Boylan Catholic High School opened its doors on September 7, 1960. Named in honor of the Most Reverend John J. Boylan, third Bishop of Rockford, the school was built in response to the leadership of Bishop Loras T. Lane who saw the need to serve the Catholic community with a co-educational high school.

The school continues a long tradition of Catholic education begun in 1910 by St. Thomas High School. This school, at first coeducational, became a school for boys in 1929 when Bishop Muldoon High School for girls opened. St. Thomas closed in 1962, while Muldoon graduated its last class in 1970. Throughout the years, Boylan has been staffed by the School Sisters of St. Francis, Adrian Dominican and Sinsinawa Dominican Orders of Sisters, Diocesan priests and lay teachers who today comprise the majority of the staff.

Boylan Catholic is proud of its distinguished tradition of excellence in academic and co-curricular areas. These accomplishments include a number of firsts: the first school in Northwestern Illinois to incorporate computer aided design and drafting (CADD) in its industrial arts curriculum (1989); the first in Rockford to initiate a Natural Helpers program (1985); the first in the city to have a Mock Trial Team (1992) and the first to publish a magazine featuring student literary and artistic works (1986). Each of these firsts remain today as signature components of the school program.

Boylan Catholic is the first and only high school in Northwestern Illinois to receive three United States Department of Education Exemplary School Awards in 1987, 1991, and 1998. Annual ACT and Advanced Placement scores, which are well above state and national averages, reflect a rigorous academic program. The school recognizes incoming freshmen who score at the 95th percentile or above on the HSPT as Bishop Lane Scholars.

Since the school's earliest days, students and staff have reached out to people of all ages and circumstances of need. The annual Christmas Basket Drive, Speed McCoy Scholarship Drive and Lenten Haitian Drive are all-school efforts to provide for the needy and for families who demonstrate need for tuition assistance. There is a myriad of service activities which involve students of every grade level as well as alumni

and parents. Alumni continue Boylan Catholic's tradition of service across the Rockford community and around the world.

State Championships are part of the school's proud tradition. Boylan Catholic's Mock Trial team won the school's first and second State Championships in 1999 and 2001. In 2002, the Boys' Golf team won the first athletic team State Championship. In 2010, Boylan Catholic's Football and Boys' Soccer teams won State Championships in the same season, becoming the first to do so in the State of Illinois. Successive State Championships include Football in 2011, Boys' Golf in 2013, and Choral Music in 2014 and 2015.

The Boylan Players continue the tradition of fine theatre born in the school's earliest years and evidenced by alumni who have received Emmy, Grammy, Oscar and Tony nominations or awards.

Now in its 57th year, Boylan Catholic is home to its third generation of students. Customs such as the Father-Daughter and Mother-Son Dances, Friday night football and Homecoming cut across time, bringing alumni, now parents themselves, back to the place of their youth.

Boylan Catholic alumni are actively engaged in support of the school's mission. In addition to their participation in strategic planning and fund development, alumni serve the school through the Boylan Educational Foundation Board, Home and School Association, and the Alumni Board of Directors. Since 1995, the school has conferred its highest award, the Veritas, on alumni whose lives reflect Boylan Catholic's mission.

In 2015, Bishop David J. Malloy appointed Amy Jogerst Ott, Class of 1987, as Boylan Catholic's first president. As such, she ensures the school's Catholic identity and oversees administration of these key areas: advancement, enrollment, finance, and marketing. The president is supported and assisted by a Board of Consultants appointed by Bishop Malloy. Jerry Kerrigan, the school's eighth principal, oversees the academic program and works with and reports to the President in order to fulfill the school's mission.

Boylan Catholic High School welcomes all young people and their families to join the school's Christ-centered community in its pursuit of truth, service and academic excellence.

ACADEMIC HONESTY

Students are expected to demonstrate honesty and integrity while in attendance at Boylan Catholic High School. Each student is expected to do his or her own work. This includes test taking, homework, class assignments and the original creation of essays, compositions, term papers and scientific research. All work submitted by students should be a true reflection of their effort and ability. The following are considered cheating:

- claiming credit for work not the product of one's own honest effort.
- providing access to materials or information so that credit may be dishonestly claimed by others.
- sharing work with another student or assisting him/her to obtain another's work unless permitted by the teacher.
- accessing electronic devices, such as cell phones, during a test.

Any behavior, which can be defined as cheating, represents a violation of mutual trust and respect essential to education at Boylan High School. Students who cheat should expect to be confronted by their teacher and be subject to the following penalties:

- zero on the assignment or test.
- notification of parents.
- establishment of a cheating record in the student's file until graduation.

If a student is found to have cheated a second time, the student will be referred to the Assistant Principal - Academics. Consequences could include:

- drop from the class.
- loss of credit and an "F" appearing on the transcript.
- no replacement course being allowed.

For specific examples and applications, please visit the Boylan web site: www.boylan.org

ACADEMIC PROBATION

Students are placed on Academic Probation if they do not satisfactorily progress toward meeting the minimum requirements for graduation.

Students should attain an average of six credits each year to earn a combination of required and elective credits totaling 23.75 credits, which is the minimum graduation requirement. Specific course requirements are listed in the Curriculum Guide and under Graduation Requirements.

Students who do not pass courses required for graduation must make up the failed credits through approved summer school or approved correspondence courses. Deficiencies must be completed by the start of the following year. The school reserves the right to limit the number of credits which will be accepted from summer school or correspondence courses.

Student progress will be assessed at the end of each school year and if, in the school's judgment, the student is not making satisfactory progress toward graduation, the student will not be accepted for enrollment for the following school year.

AWARDS CEREMONIES

Students are honored for their academic achievements of the previous year at an all school assembly held each fall.

Seniors are honored for the academic achievements at a special awards assembly in the spring. Special distinctions at this assembly include:

Northern Illinois Conference Scholar Athlete Award

This award is given to student athletes who have received a varsity letter in at least two sports within the same year and have maintained a 3.3 average.

Gold Honor Cords

Cords are worn by students who have earned a 3.5 academic average through the first semester of their senior year.

Gold Stoles

Stoles are worn by members of the National Honor Society.

President's Education Awards

This award recognizes students who have maintained a 3.5 grade point average and scored in the 85th percentile in math or reading on college admissions exams such as the ACT or SAT.

Boylan Edge Award

This award recognizes students who make a unselfish, positive contributions

to the quality of school life through service to the school or community, positive leadership, outstanding citizenship or talent in special areas such as academics, music, drama, debate, or sports.

Athletic achievements are recognized at special events held by the individual sports at the end of their season.

COURSE ENROLLMENT EXPECTATIONS

Colleges/universities are increasing their admission requirements, and leaders of business and industry are concerned about the academic preparation of those entering the work force. Freshmen and sophomores are required to be enrolled in a class for each period of the regular school day. They are not permitted five-day study halls. Juniors and seniors are required to be enrolled in classes for six of the seven periods and may have one five-day study hall each semester. Exceptions to this policy would be considered on an individual basis. Students who have experienced a long-term absence due to injury or illness must have verification in writing from a medical professional. Other exceptions may be granted to students who have a need documented in writing by an education or medical professional.

Seniors who choose a less demanding senior year can expect this reduced commitment to be reflected in the eighth semester transcript as well as letters of recommendation. Institutions of higher learning report a direct correlation between academic success at the university and the maintenance of a rigorous course of study during the senior year of high school.

COURSE FAILURES

If a student fails a course at Boylan, it must be made up through the Boylan Alternate Credit Program. If the required course is not offered by Boylan, the credit may be made up through an accredited correspondence school. The failure must be made up if:

1. It is a course required for graduation (such as Theology, English, etc.).
2. The failure drops the student's total credits below an accumulated level of six credits per year.

Courses taken at other high schools, adult education or accredited correspondence schools are acceptable for credit at Boylan. However, these courses will receive credit only if permission is secured in advance from the Assistant Principal – Academics. Boylan Catholic High School reserves the right to restrict the number of make-up credits allowed to obtain a Boylan diploma. Any **senior failing required courses during the first semester** must complete

the make-up by the beginning of the fourth quarter or the student will not be eligible for graduation nor for participation in any ceremony.

Any **senior who fails a course second semester** which is required for graduation will not receive a diploma until the requirement is made up nor will the student be allowed to participate in any ceremony.

GRADING

At Boylan Catholic High School, letter grades are given based on the percentage average achieved. The designations are:

A+	99 - 100	C+	83 - 84
A	95 - 98	C	79 - 82
A-	93 - 94	C-	77 - 78
B+	91 - 92	D+	75 - 76
B	87 - 90	D	72 - 74
B-	85 - 86	D-	70 - 71
		F	69 and Below

In addition to reporting the student's letter grade, teachers are given the opportunity to add comments about the student's performance in the class. The inclusion or omission of comments is at the discretion of the teacher.

QUARTER AND SEMESTER GRADES

Quarter grades will be based on 1/3 daily work, 1/3 test average, 1/3 quarter test.

- Percents will be averaged to determine the final quarter grade.
- With approval, second and fourth quarter teachers may choose to drop the quarter test and count unit tests as 2/3, or replace the quarter test with a project.
- Quarter grades will be published as a letter grade.

**To calculate a quarter grade,
Skyward will compute these percentages automatically:**

$$\begin{array}{ccccccc} \text{Daily Work} & & \text{Test Average} & & \text{Quarter Test} & & \text{Quarter Grade} \\ 80\% & + & 65\% & + & 65\% & = & 210/3 = 70\% (D) \end{array}$$

Semester grades for each class are the final grades recorded on the student's permanent file.

Semester grades will be determined by averaging the percentage grade of the first or third quarter (2/5, 40%), second or fourth quarter (2/5, 40%) and semester

test (1/5, 20%).

- Students will be required to achieve a cumulative 70% or better to receive a passing grade for the semester.
- The final semester grade will be published as a letter grade.
- Students who refuse to take a semester test will fail the course for the semester.

To calculate the semester grade. Skyward will compute these percentages automatically:

$$\begin{array}{ccccccc} \text{Qtr. Percentage} & \text{Qtr. Percentage} & \text{Sem. Exam} & \text{Final Sem. Grade} \\ 80\% + 80\% + 70\% + 70\% + 60\% & = & 360/5 & = 72\% (D) \end{array}$$

GRADE POINT AVERAGE (G.P.A.)

Each grading period an **unweighted** Grade Point Average (GPA) is calculated. Using the Academic point value for each grade (below) add the points earned for each course which has a .5 credit value. For courses with a .25 credit value, use one-half the point value. Add up the point values for all the courses listed. This total is divided by the total credits of the courses in which the student is enrolled. Divide by 2 to calculate the quarter or semester GPA.

Weighted GPA is calculated and reported on the student's permanent record (transcript). To compute the weighted GPA, follow the procedure outlined above but use the weighted values below. Academic courses do not receive weighted grades.

Grading Scale

Grade Point Average	Honors
4.0	Highest
3.5 - 3.99	First
3.0 - 3.49	Second

INDEPENDENT STUDY PROGRAM

A student interested in pursuing an area not offered in the curriculum must register the topic with the Assistant Principal – Academics. If the topic requested is approved, an outline of steps to follow will be presented to the student and work will begin as directed.

PUBLICATION OF HONORS AND AWARDS

Traditional publication of awards and honors such as honor roll will continue unless a parent requests, in writing at the time of registration, that such information not be shared.

PROGRESS REPORTS

A student's grades and academic progress may be tracked on Skyward through the Family Access feature. Grades are continuously updated to report an accurate day by day grade. At any time Family Access provides the ability for the student and family to be aware of any possible failure. No other notice of a possible failure will be issued to students or parents.

RANK IN CLASS

Boylan Catholic High School does not rank its students. Due to the nature of its curriculum and ability of its students, Boylan Catholic believes that conventional class rank would represent an inaccurate assessment of a student's abilities and potential for post-secondary success. Therefore, class rank is no longer calculated. After seventh semester grades have been calculated, the student with the highest grade point average in the senior class will be recognized as the valedictorian and the student with the second highest grade point average in the senior class will be recognized as the salutatorian.

REPORT CARDS

Grades are available through Family Access. Families may print the student's report card from this location. Unless specifically requested, report cards will not be mailed.

SCHEDULE CHANGES

The following will govern any schedule changes once a student has registered for a course:

Scheduling errors Errors made by the school or the programmer (such as erroneously scheduling a student for the same course a second time) will be corrected at no cost.

PARENT OR STUDENT REQUEST FOR CHANGE OF SCHEDULE

Once a student registers for courses, he/she is to carry out that program. Determination of a schedule change is made by the Assistant Principal - Academics.

1. The deadline for students or parents to request schedule changes will be printed on the student's schedule. Students receive a schedule for each semester. Requests will be granted if:
 - The change does not overload the requested course or section if the course that fits in the student's schedule.
 - Does not drop the student below the number of credits required.
 - Only one five (5) day study hall is scheduled
 - The change is consistent with the appropriate challenge level.
 - A schedule change fee and materials' fee for the new class(es) are paid.
2. If a course is dropped before the start of school but after materials have been ordered, no refund will be made for the cost of the class materials.
3. Requests to drop A.P. courses for the following school year will not be honored after May 15 of the current school year.
4. Seniors are to complete year long courses. Seniors who fail the first semester of a year long elective course class may request to drop the class. A drop may be implemented if a substitute class can be scheduled.
5. No course will be dropped after the date on the schedule and before the end of the current semester for the following reasons:

- Dislike of the teacher or course.
- Desire for a different lunch period.
- Credit for course not needed, or college doesn't require course.
- Course is lowering G.P.A..
- Earning a failing grade in the course.

Other requests will be considered on an individual basis.

STUDENT RECORDS

INSPECTION AND REVIEW OF STUDENT RECORDS

Boylan High School shall comply, within a reasonable period of time, with a request from a parent or an eligible student to inspect and review his/her educational records.

1. Boylan reserves the right to have an Administrator or Counselor present when a parent or eligible student inspects and/or reviews his/her records.
2. A parent or a person specifically designated by a parent shall have the right to inspect the student's permanent and temporary records.
3. Seek amendment of the student's educational records that the parent or eligible student believes to be inaccurate, misleading, or otherwise in violation of the student's privacy rights.
4. Consent to disclosure of personally identifiable information contained in the student's educational records, except to the extent that the Act and §99.31 authorize disclosure without consent.
5. File with the U.S. Department of Education a complaint under § 99.63 and 99.64 concerning alleged failures by the educational agency or institution to comply with the requirements of this act.
6. Requests for inspection and/or amendment of a student's records may be submitted to the school administration and/or student's counselor.

Regulations concerning student records are based on and in compliance with the Illinois School Student Record Act. Any questions pertaining to this act or the following information should be directed to the Administration.

PERMANENT RECORDS

The student permanent record shall contain the following: basic identifying information including student's and parents' names and addresses, birth date and place and gender. Academic transcript includes grades, graduation date, grade level achieved and scores on college entrance examinations, attendance

records, accident reports and health record. These records are maintained for not less than 60 years.

Make-up credits, enrichment courses or courses which have been approved to substitute for a Boylan course become a part of the student's permanent record but do not affect the student's G.P.A. Failed courses that are made-up remain on the student's permanent record.

Except for Dual Credits, college courses taken while the student attends Boylan become part of the student's permanent record at the college or university. Students who wish college credits to be included in their application to another college should secure a transcript from the issuing college.

TEMPORARY RECORDS

The student temporary record shall consist of all information not required to be in the student permanent record that includes test scores, reports of evaluation and any other information of clear relevance to the education of the student. These records will be kept for no longer than five years after graduation or withdrawal. Students who have reached a majority age (18) or parents may request a copy of the temporary file before the five year expiration date. Please contact the Boylan Guidance department for further information.

TESTING POLICIES

Students are not permitted to take quarter or semester exams early. Unless special circumstances dictate otherwise, semester examinations that are missed must be made-up within one week or the student receives an "F" as a grade. "Special Circumstances" does not include "taking a vacation" or other planned activities. The school calendar is mailed home each spring for the following school year and is also available on the school web site. Any student who refuses to take a semester exam receives an "F" for the course. Students who are enrolled in an Advanced Placement course are required to take the A.P. exam.

DIOCESAN POLICY FOR SEMESTER EXAMINATIONS

It is the policy of the Diocese of Rockford that: "No student will be allowed to take first semester exams unless his or her tuition is current. Furthermore, no student will be allowed to take final exams unless his or her tuition and fees have been paid in full."

SENIOR SECOND SEMESTER TEST EXEMPTION

The policy is intended to encourage seniors to continue to focus on their academic studies through the entire second semester.

1. Second semester examination exemption ***applies only to seniors.***
2. The exemption is available to all seniors.
3. The grade requirements for exemption are:
 - A. Both third and fourth quarter grades must be 85% or higher. The percentage average of the third and fourth quarter grades will determine the final semester grade.
 - B. Students with all other grade combinations are required to take the semester exam.
4. Students with 40 or more demerits at semester exam time are required to take semester exams.
5. The attendance requirement is no more than three absences in a course each quarter. School sponsored activity absences do not count against the student's total absences.

Parents and students should be aware the attendance software counts **absence by periods**. If a student is absent from any course more than three times, the student must take the semester exam for that course. Teachers of seniors are responsible for recording absences. In disputed cases, the Attendance Office will make the final determination of absences.

VALEDICTORIAN AND SALUTATORIAN

To encourage and recognize outstanding academic achievements, a valedictorian and a salutatorian will be selected for each graduating class. The school's valedictorian(s) and salutatorian(s) may be permitted to speak as part of the school's planned graduation program at the discretion of the Principal or designee. All speeches must be reviewed and approved in advance by the principal or designee. The Administration makes the final determination of who is named as valedictorian and/or salutatorian. Titles and privileges granted to students designated as valedictorian or salutatorian may be denied and/or revoked for violation of school policy, administrative regulation or school rule.

1. The valedictorian and salutatorian must be students enrolled in the 12th grade and who graduate with their cohort class.
2. The student(s) must have attended Boylan for at least four consecutive semesters. Therefore, any student who transfers into the High School after the first semester (January) of the sophomore year will not be eligible to be valedictorian or salutatorian.
3. The valedictorian must have earned the highest grade point average of his/her graduating class based on the school's consistent use of a weighted scale. The valedictorian(s) must be a student(s) in good standing and be representative of the school's philosophy, goals and mission as determined by the administration. In the event a student or students do not meet these requirements, the student with the next highest GPA will be considered.
4. The salutatorian must have earned the second highest grade point average in his/her graduating class. The grade point average is calculated to the third place beyond the decimal point. The salutatorian(s) must be in good standing, be representative of the school's philosophy, goals and mission as determined by the administration. In the event a student or students do not meet these requirements, the student with the next highest GPA will be considered.
5. Determination of valedictorian and salutatorian shall be based on the cumulative GPA calculated at the end of the seventh semester. Correspondence or summer courses will not be used to compute GPA. All Boylan graduation requirement policies must be followed.
6. In case of a tie for valedictorian or salutatorian, co-valedictorians and/or co-salutatorians will be recognized. Valedictorian(s) will be ranked as one, salutatorian(s) will be ranked as a number equal to the number of co-valedictorian(s) plus one.
7. Foreign Exchange students will not be eligible for valedictorian or salutatorian honors.

ADMISSION POLICIES

It has been the express policy of the Ordinary of the Diocese of Rockford that every qualified child should be entitled to admission to Boylan Catholic High School without regard to race. Federal agencies have requested codification and promulgation of a racially nondiscriminatory admission policy.

Therefore: Boylan Catholic High School shall admit students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. Boylan Catholic High School does not discriminate against students with disabilities. Boylan Catholic High School does not discriminate against students based on their status as immigrants. In compliance with Illinois state law, a physical examination must be on record before entrance into ninth grade. Transfer students must also have a physical examination on record. These records must include an update of all immunizations.

ATTENDANCE POLICIES

School is in session for 179 days in the year, exclusive of all holidays. Students are expected to be in attendance every day of the school year because absence from class is always a detriment to the student, no matter what the reason.

On the day a student is absent, parents must call the school between 7:00 and 10:00 a.m. Parents must call every day the student is absent, even when the illness continues for more than one day. The phone number is 1-815-877-2513. It will be assumed that no call indicates an absence without parental knowledge or consent. The student will be considered truant.

If the student knows in advance an absence will occur, a note must be written or the absence form can be downloaded from the Boylan.org website and brought to the Dean of Students' Office the day before. This notification must be done even when the absence involves only part of the day. **Absence for three periods is counted as a half-day of absence.**

Upon returning to school, the student must bring a note to the Dean of Students' Office from a parent stating the reason and the dates of the absence. It will document absenteeism, should a question on attendance surface later.

Medical and dental appointments should always be scheduled outside school hours, except for emergencies. Appointments during school time are counted as absences.

EARLY DISMISSAL

If a student needs to be dismissed from school early, **the student must bring a note to the Dean of Students' Office from his/her parents the morning of the early dismissal day.** The note should state the reason for leaving and the date and time. If the student is to be dismissed during a class, an early dismissal form will be given to the student. In courtesy, the student should show the form to the teacher whose class he/she will be missing. Students with early dismissals must be picked up and signed out from the Dean's Office – the east entrance of the school.

EMERGENCY CLOSING

Planned vacations should take into account that the school year may be lengthened due to snow days or other unforeseen closings.

EXCESSIVE ABSENCE - GRADE REDUCTION - NO CREDIT

CLASSES THAT MEET FIVE DAYS A WEEK

Parents of students who are absent more than five class periods in a quarter for a class that meets five days a week will be sent a letter **warning** them that if a student exceeds ten absences per semester teachers will be directed to reduce the student's semester grade one grade level.

Students who are absent 22 class periods in a semester for a class that meets everyday will be deemed to not have sufficiently met the requirements of the class and credit will not be given.

CLASSES THAT MEET THREE DAYS OR LESS

Parents of students who are absent more than three class periods in a quarter for a class that meets fewer than five days a week will be sent a letter **warning** them that if a student exceeds six absences per semester teachers will be directed to reduce the student's semester grade one grade level.

Students who are absent for 11 class periods for a class that meets fewer than five days each week will be deemed to not have sufficiently met the requirements of the class and credit will not be given.

EXCUSED / UNEXCUSED ABSENCES

It is the responsibility of the parents to notify the attendance office each day the student is absent. The attendance office is open each day at 7:00 a.m. The telephone number is **815-877-2513**. If the parents have not met their responsibility by 3:00 p.m. on the day the student is absent, the attendance office will consider the student unexcused for that time period. **The final determination of an excused absence is decided by the Dean of Students.** Students will not be allowed to makeup any class work for an unexcused absence and may be subject to the discipline code.

EXTENDED ABSENCE GUIDELINES

When a student is at home recovering from an illness, surgery or accident and is expected to miss more than one week, the parent is to notify the Assistant Principal -Academics and the Dean of Students who will determine the appropriate steps to be taken.

Upon the student's return to school, a letter from the attending physician must be on file. The letter should briefly summarize the reason for the absence. Additional information to assure the student's well-being should also be included in the letter. Information about a student's medical history is confidential. The school's representative will determine if a conference is necessary.

FUNERALS

A student may be excused for a funeral for members of the immediate family. Other absences for funerals should be cleared in advance with the Attendance Office.

ILLNESS OR INJURY

Any student who becomes ill during the school day is to report to the Dean's Office. The Dean of Students will decide whether the student will remain in school and he will be responsible for calling the parents. **UNDER NO CONDITION MAY A STUDENT LEAVE THE BUILDING WITHOUT PERMISSION FROM THE DEAN OF STUDENTS. THE STUDENT MUST REMAIN IN THE DEAN'S OFFICE UNTIL THE PARENT IS CONTACTED.**

MISSED SCHOOL ASSIGNMENTS

Work missed during an excused absence must be made-up. It is the student's duty to contact his/her teachers for this work. Homework assignments may be requested via Family Access by e-mailing the student's teachers. Allotted time for make-up is as follows:

1 to 2 days absence:

Work must be made-up within two days after return to school.

3 to 5 days absence:

Work must be made-up through arrangements with each subject teacher. Work not made-up during the agreed schedule will result in a failure grade.

Over 5 days absence:

Arrangements must be made with Assistant Principal – Academics.

PLANNED ABSENCE

While Boylan accepts parental right to keep a student from school for a sufficient reason, absence from school with family or others is discouraged. No matter how educational or cultural in nature these experiences are, they are not an adequate substitute for the student's attendance in class and attention to the specific tasks being accomplished in the subject areas under study.

If a planned absence will cause the student to be absent more than one day, a form must be obtained from the Dean of Students' Office. The form must be completed and returned prior to the expected absence. No make-up work will be accepted, nor will tests be administered, unless arrangements have been made with the Dean of Students' Office and with the student's teachers, one week before the expected absence. Note: Teachers may be unable to provide work in advance. **See also Excessive Absence-Grade Reduction and Missed School Assignments.**

RETREATS

Every student is required to attend a school-sponsored Retreat each year.

SCHOOL SPONSORED ACTIVITY ABSENCE

If the student is absent from school on a school-sponsored activity (an institute, retreat, workshop, athletic event), the Student Absence Record will show a "School Sponsored Activity Absence." The absence will not count against "Perfect Attendance" computation or Senior Test Exemption.

SPECIAL ATTENDANCE DAYS

Special attendance days will be announced in advance. These are days when absence cannot be allowed for any reason. If the student is unavoidably absent, he/she will be required to make-up the day on an alternate calendar day assigned by the Dean of Students. Examples of these days are: Retreat Day, Awards Assembly, etc.

TARDINESS

A student who is not in an assigned area (classroom, homeroom, study hall) when the bell rings is late. The student must report to the Dean of Students' Office for an admit. An admit must be obtained even if the tardiness is excused by a faculty member. Penalty for unexcused tardiness is two demerits and detention.

DISCIPLINARY PROCEDURES REGARDING TARDINESS

1. When a student is tardy to school or to any of his/her classes or study hall, the student will be required to attend a 30 minute supervised study hall after school on the following class day.
2. If a student is late more than once in a given day, he/she will serve additional consecutive detentions on subsequent nights.
3. Students must report to detention within ten minutes of the dismissal bell. Failure to serve a detention will necessitate two periods of detention being served. Students who fail to comply will be liable for suspension.

Please remember, a telephone call or a note from a parent does not excuse the student from the aforementioned regulations. Oversleeping, faulty alarm clocks, speeding tickets, etc. may cause one to be tardy, but they are usually avoidable. Demerits and detentions will be registered accordingly. Emergencies and bad weather will dictate extenuating conditions under which demerits might not be assigned. The Dean of Students will make judgments in such cases.

TRUANCY

The student will be considered truant for nonattendance, except for the following:

1. Sickness.
2. Attendance at a funeral of an immediate family member.
3. Special situations or circumstances. In these cases, clearance must be made with the Dean of Students prior to the absence.

If a student is truant:

1. The student's record will show truancy and be unexcused.
2. The student will receive five demerits for each period missed or 30 demerits for each day missed.
3. The student will receive a failing grade for that day's class work.
4. The student will be required to attend a supervised study hall after school for each class period missed. This detention is to be served on the day of truancy or as determined by the Dean of Students.

BEHAVIOR POLICIES

THE DEMERIT SYSTEM

Boylan High School uses the following demerit system to measure each student's attitude. Administration reserves the right to dismiss any student for serious cause.

1. Each student will begin the school year with no demerits. The only exception is "2" below.
2. Demerits earned during the months of May or June will be carried over to next semester in which the student is enrolled at Boylan.
3. The student's demerits will be available on Family Access.

When the student reaches 20, 30, 40 or 60 demerits, the following will result:

20 Demerits: The student will be called in for a conference with the Dean of Students. Parents will be notified by letter.

30 Demerits: The student and his/her parents must meet with the Dean of Students for a conference. A conference will be scheduled with the student's guidance counselor. The student's pastor will also be notified.

40 Demerits: The student will appear before the Council of Discipline where his/her demerit record will be reviewed. The student will not be allowed to participate in any extracurricular activities or class office. The student will meet regularly with his/her Guidance Counselor.

60 Demerits: The student will appear before the Council of Discipline for possible expulsion. As an alternative to expulsion, a student may be put on probation with a contract.

4. Once dismissed for disciplinary reasons, a student may not be readmitted to Boylan for at least one year from the date of dismissal. Upon application, the case will be reviewed by the Administration to determine if the student is eligible for re-admittance.

The amount of assistance depends on need and available funds. Assistance is given for one school year at a time. Families must reapply each year. Funds are distributed after a confidential financial statement has been analyzed. All information is kept in confidence. Financial aid is awarded on the condition that all financial obligations are met. If a family does not meet its financial obligations as stated above, the aid will be forfeited and the full, undiscounted amount of tuition will be due. Adhering to the school's Behavior Policies is a factor in maintaining and renewing financial aid. For more information, contact the Business Manager.

2017-2018 TUITION ASSISTANCE APPLICATIONS

Applications for tuition assistance will be available during registration sessions in February 2016. Applications must be submitted to P.S.A.S by April 15, 2017. All tuition assistance awards will be made in mid to late June 2017.

GENERAL POLICIES

ACCEPTABLE USE POLICY FOR THE TECHNOLOGY SYSTEM

Computing, data storage and information retrieval systems are designed to serve the students, faculty, staff and volunteers of the school. Network and Internet access is provided to further the legitimate educational goals of this institution. The school provides computing and network resources for the use of students, employees and others affiliated with the school. Members of the school are encouraged to use the computers, software packages or outside the school network software for educational or school related activities and to facilitate the efficient exchange of useful information. However, the equipment, software and network capacities of the School Technology System (System) provided through school computer services are and remain the property of the school. All users are expected to conduct their on-line activities in an ethical and legal fashion.

The use of these resources is a privilege, not a right. Misuse of these resources will result in the suspension or loss of these privileges, as well as disciplinary, legal and/or monetary consequences.

All users of the System must comply with the school’s Acceptable Use Policy as amended from time to time.

Students have no expectation of privacy in their use of the System. The school has the right to access, review, copy, delete or disclose, as allowed by law any student’s work on the System. The school has the right to and does monitor use of the System by students, including students’ access of the Internet, as part of System maintenance and to determine whether the use is consistent with federal and state laws and school and Diocesan policies and guidelines.

Examples of inappropriate or unacceptable use(s) of these resources include, but are not limited to, those uses that violate the law, the rules of network etiquette or

hamper the integrity or security of any network connected to the Internet. Some unacceptable practices include:

- Transmission of any material in violation of any U.S. or state law, including but not limited to: copyrighted material; threatening, harassing, pornographic or obscene material; or material protected by trade secret is prohibited. The use or transmission of copyrighted materials without the written permission of the author or creator is prohibited. As with all forms of communications, network resources may not be used in a manner that is disruptive to the work of educational environment. The display or transmission of messages that are sexually explicit constitute harassment which is prohibited by the school. It is also illegal for anyone to knowingly allow any telecommunications facility under their control to be used for the transmission of illegal material.
- The use for personal, financial or commercial gain, advertisements, political lobbying or the sending junk mail or chain letters is prohibited.
- Vandalism is prohibited. This includes, but is not limited to, any attempts to harm or destroy the data of another user, the network/ Internet or any networks or sites connected to the network/ Internet. Attempts to breach security codes and/or passwords will be considered a form of vandalism.
- The creation, propagation and/or use of computer viruses are prohibited. Deleting, examining, copying or modifying files and/or data belonging to other users is prohibited.
- The willful destruction of computer hardware or software or attempts to exceed or modify the parameters of the system is prohibited. Discipline may be imposed for intentional overloading of the school's computer resources.
- Engaging in activities that are not related to the school's educational purposes or which are contrary to the instructions from supervising personnel.
- Disruption of the educational process, including use that is reasonably foreseen to result in a disruption, or interfere with the rights of others at any time, either during school days or after school hours.
- Disclosing the user's individual password or that of another user.
- Posting material on the school's web site without the authorization of

the appropriate school administrator.

- Posting material on an individual's web site that results in the ability to circumvent the school System security or "blocked" sites.

The school may discipline a student whose personal web site or other off-site activity involving electronic media causes, or can reasonably be expected to cause, a substantial disruption of the school environment, without regard to whether that activity or disruption involved use of the school's technology system. Students are prohibited from accessing any school wireless network without the express permission of the supervisory personnel.

The school makes no warranties of any kind whether express or implied for the System. The school is not responsible for any damages incurred, including the loss of data resulting from delays, non-deliveries, mis-deliveries, or service interruptions. Use of any information obtained via the System is at the user's own risk. The school is not responsible for the accuracy or quality of information obtained through the System. The school is not responsible for any user's intentional or unintentional access of material on the Internet that may be obscene, indecent, or of an inappropriate nature.

Any information contained on the school's computers which are purchased by the school is considered the property of Boylan Catholic High School.

This agreement applies to stand-alone units as well as units connected to the network or the Internet. Any attempt to violate the provisions of this agreement will result in revocation of the user's privileges, regardless of the success or failure of the attempt. In addition, school disciplinary action and/or appropriate legal action may be taken. The decision of the school regarding inappropriate use of the technology or telecommunication resources is final. Monetary remuneration will be sought for repair or replacement of equipment.

Inappropriate use of technology (for example, on a home computer) may subject the student to consequences. Inappropriate use includes but is not limited to, harassment, use of school name, remarks or web posting directed to or about teachers, offensive communications and/or video, and safety threats.

Our filtering software establishes parameters for appropriate use within our building. Students and parents/guardians are primarily responsible for the appropriate and ethical use of technology, especially in the home.

STUDENT E-MAIL POLICY

Boylan Catholic High School through its e-mail provider automatically monitors all inbound/outbound e-mails for viruses, virus hoaxes, chain-mail, and known spam mailers but does NOT guarantee such messages to be virus-free. The onus is on the recipient to ensure they are virus-free. Boylan High School accepts **24**

no responsibility for any damage caused by receiving e-mails from our e-mail system.

Boylan Catholic High School High School reserves the right to intercept, store, archive, delete, or view such e-mails for security/audit purposes and, where necessary, instigate appropriate proceedings against the parties involved.

E-mails sent to and from Boylan High School's e-mail system will be archived in accordance with the school's archival policy.

Please note that just as with all regular postal letters sent to the school or receipt of other documents, all e-mails sent to Boylan High School, its employees, and its students are subject to the Open Records Law.

E-mails Live Forever. Simply deleting an e-mail message from your account does not destroy the message. This message remains on our e-mail server, and we often make back-up copies of our e-mail servers that we may store for months or years. Even after we erase the back-up copies, a technician may be able to restore the erased message. Further, in the case of e-mails sent over the Internet, copies of the e-mail could persist on the recipient's system (or any person who receives a forwarded copy from this person) indefinitely. Thus, you should only send e-mails that you are willing to have live forever.

While we may have back-up copies of your materials, we encourage you to make back-up copies yourself.

You Cannot Control Your E-mails Once Sent. Once you send an e-mail, you have effectively no ability to control who sees it. E-mails sent over the Internet cannot be "retrieved." Further, e-mails are often forwarded to people you did not anticipate would receive it. Also, we may be required in future litigation to produce copies of your e-mails in a court proceeding, and we may do so without notifying you or asking your permission. In short, you should always write e-mails assuming that the person you would least want to read your e-mails will see them.

Check E-mail Headers. You should always check e-mail headers to confirm the identity of the recipients, especially when you reply to a message (particularly when you reply to all recipients). It is very easy to reply to a message in a way that causes your message to be sent to the wrong people.

The System is a School Resource. The System is our valuable educational asset, and therefore we do not permit you to use the System for personal use. We spend significant amounts of money to procure the hardware, software and telecommunications services necessary to offer Internet access and e-mail, and we have not invested the resources to permit the System to meet our legitimate educational needs plus the demands placed by personal use of the System. All messages and files composed, sent or received using the System are and

remain our property.

Prohibited Uses of our System. Our general policies regarding student communications also apply to communications made using the System. Without limiting the foregoing or the previous section, you may not use our System to send, receive, store or display communications or files that: (a) infringe any third party intellectual property or publicity/privacy right; (b) violate any law or regulation; (c) are defamatory, threatening, insulting, abusive or violent; (d) might be construed as harassing, derogatory, disparaging, biased or discriminatory based on a person's age, sex, race, sexual orientation, religion, disability, national origin or any other protected classification, (e) are obscene, pornographic, harmful to minors, child pornographic, profane or vulgar; (f) contain any viruses, trojan horses, worms, time bombs, cancelbots or other computer programming routines that are intended to damage, detrimentally interfere with, surreptitiously intercept or expropriate any system, data or personal information, or (g) are solicitations or advertisements for commercial ventures, religious or political causes, outside organizations or other non-educational related activities. Under no circumstances may you use our System to gain unauthorized access to third party resources.

Do Not Expect Privacy. We may access, read, monitor, intercept, copy and delete your communications if we deem appropriate; however, we expect we would do so only when there is a legitimate educational reason. For example, we might do so if we suspect any violation of law, breach of security, or violation of our policies. Further, we may disclose your communications to third parties if we deem appropriate. Thus, you should not expect privacy in your System account or any communications on the System.

Also, you should not assume that an e-mail that claims to be from someone is in fact from that person. It is very easy to forge headers, effectively falsifying the identity of the e-mail originator, or someone may have forgotten to log out. Check first before making assumptions.

Help Maintain Security. Our System is not perfectly secure and is susceptible to break-ins. Thus, we need your help to maintain security.

You may not share your System or e-mail passwords with anyone else (including other students), and you may not gain access to other System accounts, without prior authorization. However, we reserve the right to override your password for legitimate educational reasons.

Further, because electronic communications are inherently unsecure, you should not electronically transmit sensitive, personal or confidential information to any third parties without prior approval. However, you may not use any encryption programs unless specifically instructed to by the school and then you may only use encryption technology supplied to you.

System Integrity. You should not use the System in a way that disrupts or degrades its performance. For example, you should not attempt a large file

download during peak usage periods. We may place limits on the amount of data you can store on the System. Also, you should virus-check all such files before executing them, loading them onto the System or forwarding them.

Communications. Every time you send an e-mail that contains our domain name or transmit files using our System, third parties might interpret these communications as official school communications or legally-binding statements of the school. Therefore, at minimum you should not use the System to make any statements or take any action which might be interpreted as a press release or publicity statement without school approval.

Third Party Materials. You should not redistribute third party materials, particularly e-mail attachments, without prior authorization by those third parties. Articles, photos, graphics, sound files and other attachments are generally the intellectual property of some other party, in which case your redistribution can create liability for us. Further, you should assume that anything you download from the Internet is protected by intellectual property laws, and you should not make further use without approval.

Amendments to this Policy. This Policy supersedes all prior communications, oral or written, regarding the System. You agree that we may amend this Policy by sending you an e-mail containing the new policy, and the amended policy shall be effective as soon as it is sent by us.

Acknowledgement: Usage of the e-mail provided by the school indicates that you understand and agree to comply with this E-mail Use Policy, and in particular understand and agree that the school may access, read, monitor, intercept, copy and delete my communications if it deems appropriate. Failure to comply with any of the provisions in this policy may lead to disciplinary action.

AGREEMENT FOR NOTIFICATION VIA ELECTRONIC MEDIA

As the need arises the administration, teachers, coaches, or other school personnel find it appropriate and timely to communicate with students and parents via electronic means such as e-mail, moodles, telephone messages, texting, blogs, tweeting, or social networking sites etc. These media would be used to communicate items such as athletic schedule revisions, practice cancellations, modification of meeting times, academic assignments, or other significant information. Diocesan policy requires us to secure permission from parents for the school or its employees to contact students and parents via these media. **Parents who do not wish to receive general e-mails from the school should opt out by not providing their e-mail address or by removing their e-mail address from Family Access.**

BRING YOUR OWN TECHNOLOGY (BYOT)

Boylan Catholic High School has implemented a technology plan allowing students to bring their own digital devices to school. With classroom teacher approval, students may use their own devices in the classroom to access and save information from the internet, and communicate with other learners. Go to www.boylan.org for additional information on BYOT.

ELECTRONIC DEVICES

Use of electronic devices at Boylan is permitted under the following guidelines. Any other use is considered a distraction to the educational mission of BCHS and subject to disciplinary action up to and including confiscation, demerits, detention, and monetary fines.

CAMERAS/PHONES

1. Personal items that can take and/or transmit electronic images cannot be used by students to take or transmit images of others without the written consent of all involved.
2. Taking pictures, videos, or recordings of teachers, staff or students without their knowledge or permission is a violation of this policy. The transmission, display, and or sharing of such images is subject to disciplinary and legal action. (See also the Acceptable Use Policy for the Technology System)

CELL PHONE USAGE

1. Ringers should always be silenced on the Boylan campus.
2. Cell phone texting only (no verbal) is permitted in the Boylan Cafeteria during the student's lunch period.

5. Earbuds, headphones, and wireless headphones are not permitted in the hallways.

DIGITAL DEVICES

1. Tablets, eReaders, smart phones, laptops, etc. may be used in the

classroom at the teacher's discretion for educational applications. During full period study halls and study halls during the 4th hour lunch, students will be permitted to utilize their smart technology. No verbal communication will be permitted.

USE OF DIGITAL DEVICES DURING THE ADMINISTRATION OF A TEST

If a student is observed using a digital device (including but not limited to cell phones, MP3 players, cameras, smart watches, Google Glass, or other telecommunication devices capable of capturing or relaying information) during the administration of a test the following consequences will be enforced:

1. Testing for the student will cease.
2. The device will be confiscated and is subject to search.
3. The student will receive a grade of zero for the exam.
(See Academic Honesty Policy)

BUS INFORMATION

The behavior of a student on a bus to or from school is considered an extension of his/her behavior at school. Students must comply with all regulations of the bus company.

CAFETERIA

Students are to use good manners at all times and be friendly with those sharing the cafeteria. Students should be courteous in the lunch line, not crowd or loiter along the counter and should not handle food before choosing it. Inappropriate behavior will not be tolerated and may result in a loss of lunchroom privileges. Upon finishing lunch, students should leave the table neat and clean and place dishes and trays at the tray return. Food or beverages are to be kept in the cafeteria. Paper and pop cans are to be put in containers provided. The cafeteria is open for both breakfast and lunch. Students are to remain in the cafeteria until dismissed and are not allowed to go out of doors. No food may be purchased

from outside sources during lunch periods.

CORRIDORS

To maintain order in the hallways, there should be no running while passing from room to room. Waste paper and refuse should be placed in the waste containers located in each of the halls.

DANCE POLICIES

MAJOR DANCES

All Boylan students are invited to participate and attend all major dances with these exceptions:

1. Freshman students are not allowed to attend the Homecoming Dance.
2. Freshman and sophomore students are not allowed to attend Senior Prom. Only juniors who have been invited by seniors may attend.
3. Students who have been expelled, or have withdrawn from Boylan for behavioral reasons are not allowed to attend Boylan dances.

Because Boylan faculty, parents and students have expressed their concern about behavior at school dances, we have initiated the following policy:

1. Modesty in dancing styles/behavior and in dress is to be followed by all students so that Christian values are not compromised.
2. All tickets must be purchased by the designated day before the dance. No tickets will be sold at the door.
3. When buying tickets, students must sign their name and a parent's phone number, as well as the name and a parent's phone number of their date.
4. For identification, all Boylan students must present their school ID at the door.
5. If a Boylan student brings a non-Boylan date to a dance, the Boylan student is responsible for his/her guest's behavior.
6. A major dance begins at 8:00 p.m. Students must be at the dance no later than 9:00 p.m. Those arriving after 9:00 p.m. will not be admitted and parents will be notified.
7. All students and guests will be subject to a random alcohol breath

test (commonly referred to as a breathalyzer test) upon entry or if reasonable suspicion is noticed by an administrator or faculty member. Suspicion will be based upon the following observed behavior, but is not limited to: unsteady gait, slurred speech, impaired motor control, flushed face, odor of alcohol or other substance on breath, clothing or person, and/or vomiting.

8. A major dance ends at 11:00 p.m. All attendees are expected to remain at the dance until 10:30 p.m. and will not be allowed to leave before that time
9. The possession or use of drugs or alcohol is against the law. If either substance is detected in the parking lot, at the door, or at any time during the dance, students involved will be detained and their parents called to take them home. Boylan rules and city laws will be applicable at that time.
10. To help insure the smooth running of all dances, parents of Boylan students will assist Boylan faculty members as chaperones. However, faculty members will be responsible for all disciplinary matters.
11. A security officer will be in attendance at all dances.
12. A coat check will be available. Students are encouraged to check coats, cameras, purses etc.

MIXERS

1. Mixers are a non-date dance. They may be held after home football games. Attire is casual. Mixers last approximately 1 1/2 hours from about 9:30 p.m. to 11:00 p.m. If the game ends later, the mixer will end at 11:30 p.m.
2. Tickets are sold during the week of the mixer and at the door.
3. All Boylan students must present their school I.D. or class schedule for entrance to the mixer. Mixers are closed to students from other schools.
4. The possession or use of alcohol or drugs is against the law. If either substance is detected in the parking lot, at the door, or at any time during the dance, those students involved will be detained and their parents called to come and escort them home. Boylan High School rules and city laws will be applicable at that time.
5. To help ensure the smooth running of all mixers, parents of Boylan

students will assist Boylan faculty members as chaperones. However, faculty members will be responsible for all disciplinary matters.

EMERGENCY NOTIFICATION OF CLOSINGS

School Messenger, a telephone notification system, is used to inform parents who have provided e-mail addresses and cell phone and/or landline numbers of any school emergency such as school closings. Notification will also be made over all TV stations. The Boylan web site will also provide up-to-date information.

FAMILY ACCESS

Students and parents are provided with a login and password to access student information over the Internet. Information available includes student schedule, assignments, grades, attendance, demerit infractions, food service items purchased and balance. Other features include deposit of funds to the lunch program via credit card and the ability to e-mail teachers. Message Center also provides the opportunity for teachers and administrators to post information of general or specific interest. Family Access is entered through the Boylan web site (www.boylan.org). Parents are encouraged to enter and keep their e-mail address current so they can be notified of low lunch balance, schedule changes or other information. Parents and students are encouraged to frequently check the lunch balances to avoid an "overdraft".

THE FAMILY RIGHTS AND PRIVACY ACT

The Family Rights and Privacy Act (FERPA) provides: An educational agency or institution shall give full rights under the Act to either parent, unless the agency or institution has been provided with evidence that there is a court order, State statute or legally binding document relating to such matters as divorce, separation or custody that specifically revokes these rights. This means that, in the case of divorce or separation, a school district must provide access to both natural parents, custodial and non-custodial, unless there is a legally binding document that specifically removes that parent's FERPA rights.

FOOD SERVICE: LUNCH

The Boylan food service program features a "cashless" system. Cash is not accepted at the cafeteria at any time. Parents may deposit funds into a student's account by means of credit card through Family Access or may mail or deliver funds to school. Deposits made at school must be delivered to the Main Office by the end of first period to be credited the same day. Parents may view and monitor balances and purchases through Family Access. Students are identified at lunch by means of a biometric system and photo of each student. Students

must have a positive lunch balance to participate in the food service program.

GUESTS OR VISITORS TO BOYLAN

Should Boylan students wish to have guests accompany them to class, they must have permission from the Dean of Students prior to the visitation. Specific rules regarding visitors must be followed.

VISITOR CHECK-IN

Boylan High School has a closed campus policy. After 8:00 a.m. all entrances will be locked. Visitors must enter the building from the entrance at Campus Hills Blvd. and are required to check in with Metro Enforcement Security. Guests to the building will be required to show identification, which will be scanned through a law enforcement data base. If the name of the guest appears on any list or if the guest refuses to allow the school to scan the ID, that individual will not be allowed access to the school.

HARASSMENT/BULLYING POLICY

Boylan Catholic High School exists to transmit the Gospel values that reflect the active presence of God. An environment reflecting our Catholic tradition and Christian values is an integral component of the entire educational mission of this institution. Consequently, anything contrary or incompatible with the essential mission of Boylan Catholic High School will not be permitted.

Any action, word or behavior which harasses, intimidates or causes physical, emotional or psychological harm to another student or students is strictly prohibited. This prohibited conduct also extends to the use of technology (“Cyber bullying”) as a tool to harass or cause harm.

Bullying is prohibited during any school-sponsored education program or activity; while in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities; or through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment. However, this policy is not limited to conduct that occurs on the premises of the school.

“Bullying” means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically (“cyber bullying”), directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing the student or students in reasonable fear of harm to the student’s or students’ person or property
2. Causing a substantially detrimental effect on the student’s or students’

physical or mental health

3. Substantially interfering with the student’s or students’ academic performance or
4. Substantially interfering with the student’s or students’ ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. Examples of “cyber bullying” include but are not limited to the use of e-mail, web sites, text messaging, electronic photos or videos and social media (i.e. Face Book, Twitter, My Space etc...) to harass or intimidate. These lists are meant to be illustrative and non-exhaustive.

Students who violate this policy will be subject to the discipline policy of the school.

Harassment or bullying of any type is diametrically opposed to the mission of Boylan Catholic High School and it will not be tolerated. Harassment of any student or adult by any other student or by an employee while acting as a representative of this institution is not acceptable. Furthermore, any individual judged to harass another will be subject to appropriate disciplinary action.

A student who feels that he or she has been subjected to harassment or bullying should notify a parent or a Boylan staff member. The matter should also be reported to the Principal and an investigation of the incident will take place. In the case of a substantiated incident of harassment, the appropriate course of disciplinary action will be dictated by the particular circumstances of the situation.

LOCKERS

Each student is assigned a locker for the entire year. Students may not change lockers or use someone else’s without permission from the Dean of Students. Lockers must be kept locked and in good order at all times. The lockers are not designed for maximum security. Students are urged not to place valuable items in lockers for safekeeping. Food and perishables may not be stored in the locker. A \$10.00 damage deposit is required of each student for the school year. At the end of each semester, the condition of each locker will be checked and the deposit will be adjusted if no damage or defacing has occurred.

Students have no expectation of privacy in the use of their lockers. The administration retains the right to periodically inspect lockers and their contents.

LOCKER DECORATIONS

External locker decorations are to be limited to the width of the locker and one standard sized poster board above the locker.

LOCKS

Every student must use school locks on both the regular locker and P.E. locker assigned to them. Students should tell no one their combination. Students own these locks and are responsible for them. Replacement locks can be purchased in the Attendance Office.

LOST AND FOUND

Parents are encouraged to mark student apparel and belongings. Lost items may be retrieved in the Attendance Office. Found objects should be brought to the Attendance Office.

MAILINGS

School mailings will be sent to the parents or legal guardians listed on the Student Application Form. Any additional requests for information should be made to the Administration by the parent or guardian named.

THE MAINTENANCE OF THE COMMON GOOD

The goals of this institution are not designed to reform or rehabilitate adolescents involved in dangerous or criminal activity. Consequently, after a careful examination of the evidence, any individual (or members of a group) found to be a participant in illegal activity, violent behavior, possession of prohibited weaponry or exhibiting gang signs or graffiti will be subject to expulsion from this institution. Students whose involvement in illegal activity brings unfavorable publicity to the school may be subject to expulsion.

PARKING

Students must park in the west parking lot only but not in the front row. Students must park between the yellow lines and should not park in the aisles or along the east side of the student parking lot. Students must register their vehicles and obtain a parking tag in the Dean's Office. The parking fee pays for security in the lot. Failure to follow procedures will result in the loss of driving privileges.

All automobiles should be locked. No sitting or loitering in cars is permitted once students are on the grounds. Students should not tamper with other vehicles. A speed limit of 10 miles per hour is to be observed. Reckless driving will result in loss of driving privileges, demerits and a monetary fine. Parking is provided for

the convenience of students and guests. Boylan assumes no liability for loss, damage or injury occurring in the parking lots.

POSTERS

Any individual or organization placing a poster on school walls must have it approved by the Dean of Students. Posters may be placed near the main entrance, on the wall of the landing of the middle stairway, the lobby of the student entrance and the wall outside Room 136. They must be removed promptly after the date of the event by those who posted them. Sticker type poster material is not allowed.

Publication includes but is not limited to the Boylan web site, school newspaper, yearbook, alumni news, and publicity releases to various media.

SEARCHES ON SCHOOL PROPERTY

INDIVIDUALS

If there is reasonable suspicion of a student possessing banned or illegal substance or a banned object the following will occur:

- A thorough search of the student's school bag(s), locker(s), car, and a hands off search of his/her person will take place.
- The parent(s) will be notified.
- If a student is found to be in possession of said object(s), the student may be subject to suspension and may be considered for expulsion under the provisions of the Boylan discipline code.
- The student may be referred to the local law enforcement authorities. In some cases, State law requires a report to police.

SCHOOL WIDE SWEEPS

The school at its discretion may conduct a “sweep” of lockers and/or student automobiles with the assistance of local law enforcement agencies. Such sweeps would utilize dogs trained in the detection of banned or illegal substances. If a banned or illegal substance or its residue is detected:

- The student’s locker(s) and its contents may be searched.
- The student’s automobile may be searched with the student present.
- A thorough search of the student’s school bag(s), and a hands-off search of his or her person will take place.

ADMISSIONS TO COLLEGE

Boylan High School is accredited by AdvancED (North Central Association of Colleges and Secondary Schools), the Illinois State Office of Education and the National Catholic Education Association. Credits earned at Boylan are acceptable at any college or university in the United States. College acceptance depends upon many things. Among these considerations are:

1. Whether or not the applicant meets all the college’s entrance requirements.
2. The applicant’s personal qualifications such as participation in sports, clubs, service activities, and his/her leadership and character.
3. Whether or not the college application deadline is met.

For a student to be accepted into the college of his/her choice, it is essential to plan early enough to meet all subject and grade requirements. College and university catalogs and Internet sites should be carefully studied. Guidance should be sought from parents, counselors and teachers.

Students should:

- Meet with their Counselor & College Coordinator: Plan the high school curriculum early to be sure to meet college requirements.
- Explore their interests through a variety of classes: Consider taking classes not in the core curriculum such as art, drama and music to demonstrate a well-balanced academic background.
- Master the basics: Strengthen reading, writing, math and vocabulary skills for college and scholarship essays as well as standardized tests.

Colleges are looking for diversity and rigor in the high school academic record. **31**

Below is a suggested college prep course load:

Units	Subject
4	English - Emphasizing written and oral communications and literature.
3-4	Social Science - Emphasizing history and government.
3-4	Mathematics - Algebra, geometry, algebra 2 or other advanced mathematics.
3-4	Science - Laboratory sciences such as biology, chemistry, physics, anatomy/physiology, integrated and earth science.
2	World language (2-4 years of the same language), music or art.
1	Fine Art

Please note that each college or university may set higher minimum requirements for each subject area. Students should contact each college for its minimum requirements.

Seniors who choose a less demanding senior year can expect this reduced commitment to be reflected in the seventh/eighth semester transcript as well as letters of recommendation. Institutions of higher learning report a direct correlation between academic success at the university and the maintenance of a rigorous course of study during the senior year of high school.

COLLEGE APPLICATIONS / RECOMMENDATIONS

Requests for college recommendations and applications must be submitted at least two weeks before due date.

COLLEGE ENTRANCE EXAMS

CONFIDENTIALITY / MANDATED REPORTER POLICY

While counselors/teachers respect the confidentiality that students place in them, there are certain behaviors and ideations that counselors/teachers may not keep confidential. This includes information revealing when students are committing acts or plan to commit acts that hurt themselves or others; information that students are being physically, emotionally or sexually abused; and information that students have committed excessively violent acts. Furthermore, class journals, which reveal the aforementioned acts, may not be kept confidential. Also, information discussed on Kairos retreats, Natural Helpers retreats or any school-sponsored retreat is confidential unless it indicates danger to one's self, danger to others, physical abuse or sexual abuse must be reported to the retreat director. Teachers on retreats must report incidents of physical and sexual abuse and "dangerous situations" to proper authorities.

Counselors/teachers must inform, at least, the Principal when obtaining knowledge of these behaviors or ideations and may need to notify other authorities or agencies.

Teachers, by state statute, are "mandated reporters" of any physical or sexual abuse or suspected physical or sexual abuse to the Department of Children and Family Services.

In most cases, parents will be informed. If someone other than the student's parents is abusing the student, the police will be informed. If parents are the alleged perpetrators of abuse, the Department of Children and Family Services will be notified.

If counselors/teachers have reliable information indicating that informing parents is likely to endanger students, counselors/teachers may withhold that information from parents, but only with the approval of the Principal.

If a parent has a concern that centers on a particular class or classroom teacher, he/she is strongly encouraged to contact the teacher as a first step. If a second step is needed, then the specific Department Chairperson should be contacted. If further dialogue is necessary, then the Assistant Principal for Academics should be contacted. The Principal is ordinarily the final step in this process.

If the concern centers in the psychological or social realm, the parents are strongly encouraged to contact their child's counselor or the Chairperson of the Guidance Department who will then determine a process of assistance. The parents can also contact the Principal or one of the Assistant Principals, but the Guidance Department Chairperson ordinarily is the first contact.

Students need to know their first contact regarding a concern or a discomfoting situation will ordinarily be their parents, but in situations where this may not be possible, then their particular counselor or the Counseling Department Chairperson or the Principal or one of the Assistant Principals should be contacted. It is understandable that a young person may confide in a particular teacher or staff person with whom he has a rapport. The Principal, in conjunction with the counselors, may formalize any assistance and/or problem resolution.

The school abides by the provisions of the Buckley Amendment. Thus, non-custodial parents will be given access to the academic progress of their children, unless there is a court order specifically stating that the non-custodial parent is denied access to such information

GOOD STUDENT AUTO INSURANCE DISCOUNT VERIFICATION

Requests for verification of Good Student Insurance discount forms should be submitted to the Guidance Office.

ILLINOIS STUDENT ASSISTANCE COMMISSION (ISAC) (Formerly Illinois State Scholarship Commission)

To be eligible, a junior year student must take the ACT or SAT between September 9 and June 30 of junior year.

P.S.A.T/ NATIONAL MERIT SCHOLARSHIP QUALIFYING TEST

The exam will be given on Wednesday, October 19, 2016 to juniors who opt to take it.

STANDARDIZED TESTS

Standardized tests such as the practice ACT and PSAT/NMSQT are given to assess students' academic strengths and weaknesses to inform teachers of student progress and to provide direction as students prepare for upcoming college entrance exams. In 2016-2017 the following standardized tests will be administered: freshmen, EXPLORE; sophomores, PLAN; juniors, practice ACT.

TRANSCRIPTS (ELECTRONIC)

To enhance processing student records for college applications, Boylan uses an electronic transmission method through Docufide by Parchment. This process is supported by the Illinois Student Assistance Commission (ISAC). Students create an account through Parchment.com giving them the ability to submit a transcript to the college or university of their choice. Families receive written instructions to enroll in the service. A credit or debit card is required for payment.

TRANSCRIPTS (HARD COPIES)

For hard copy transcripts see the Guidance Secretary in Room 212A at least one week in advance of the date needed. Cost is \$5.00 per transcript, payable at the time of the request. A request for a transcript form can also be found on the Boylan web site www.boyolan.org

WORK PERMITS

Work permits may be secured from the Guidance secretary in room 212A.

HEALTH AND SAFETY POLICIES

CONCUSSION PROTOCOL

All incoming freshmen and juniors will have a baseline pre-concussion exam provided by ImpACT Applications. The baseline exam will be overseen by administration to assist a student's family physician, neurologist, and our athletic trainer in determining the existence and severity of a concussion. A concussion is a traumatic brain injury that alters the way your brain functions.

SIGNS OF A CONCUSSION

The signs and symptoms of a concussion can be subtle and may not be immediately apparent. Symptoms can last for days, weeks or even longer. Common symptoms after a concussive traumatic brain injury are headache, loss of memory (amnesia) and confusion. The amnesia, which may or may not follow a loss of consciousness, usually involves the loss of memory of the event that caused the concussion.

Signs and symptoms of a concussion may include:

- Headache or a feeling of pressure in the head
- Temporary loss of consciousness
- Confusion or feeling as if in a fog
- Amnesia surrounding the traumatic event
- Dizziness or "seeing stars"
- Ringing in the ears
- Nausea
- Vomiting
- Slurred speech
- Delayed response to questions
- Appearing dazed
- Fatigue

RETURN TO LEARN / RETURN TO PLAY

1. Concussion protocol includes returning to learn and returning to play plan. These plans will be initiated if a student is deemed to have sustained a concussion or mild traumatic brain injury (TBI) by a physician or an athletic trainer.
2. The athletic trainer will inform the students' parents of a concussion protocol as soon as the concussion occurs.
3. Parents will notify school administrators if their child has suffered a concussion or a mild TBI during a non-school activity.
4. The student will report to the school administrator once he/she has been cleared by a physician to do so.
5. The school administrator will inform the students' teachers via confidential email of the concussion and the protocol which will be adhered to via doctor's orders.
6. Regardless of a physician's note that may state the student is to return to regular school activities, or some non-restrictive orders as covered by the return to learning protocol, the student will go through the concussion protocol when initiated by the athletic trainer.
7. The student will progress through phases daily unless the athletic trainer notifies the administrator to maintain at a designated phase.
8. The student will be allowed to make up all work including tests, quizzes, and projects as directed in the RTL protocol.
9. The administrator and the athletic trainer will keep a strong line of communication open throughout the process. They will notify each other if the student leaves school early or is not feeling well due to concussion symptoms.
10. The student will conduct the RTP protocol in conjunction with the RTL protocol.

AFTER CARE FOR CONCUSSION / MILD TBI

HOSPITALIZATION

Upon a student's admission to a hospital or other care unit for a stay that is expected to last more than a week, a parent should contact the Assistant Principal - Academics in the Main Office who will determine the appropriate steps. Parents should secure a written release from the care unit and physician(s) to share information with the appropriate school representative.

The school representative will contact the educational supervisor at the hospital to explain Boylan's policy for absences and school assignments and to ascertain the types of assignments that are appropriate.

Individual class assignments will be sent to the hospital on a weekly basis only if the previous assignments have been completed and returned to the appropriate school representative.

Prior to the student's return to school, the parent should contact the school representative to determine if a conference is required

Upon the student's return to school, a letter from the attending physician must be on file summarizing the reason for the hospitalization. Additional information to help assure the student's well-being should also be included in the letter. Information about a student's medical history is held in confidence. See also the policy on extended absences on page 15.

INSURANCE

Diocesan policy requires that parents provide "proof of adequate insurance" before students are allowed to participate in any organized sport.

The school does not carry medical insurance for injuries to students while in attendance at Boylan or while participating in a Boylan sponsored event. Supplemental student insurance is available through First Agency, Inc. Forms are available at www.1stagency.com.

The school has enrolled students in a Catastrophic Accident Insurance Program through First Agency, Inc. This program includes an accidental death and dismemberment benefit.

Boylan High school recognizes the importance of establishing a healthy learning environment and life style. We strive to assist students to become responsible members of society who recognize all behaviors possess consequences. Furthermore, to enhance the development of our students' physical, mental, emotional, psychological and spiritual well being, In cooperation with Rosecrance, Boylan has established the following substance abuse policy.

POLICY AND PROCEDURES

1. Every student at Boylan is subject to random drug testing. Refusal to comply with the policy or procedures including altering of testing may result in disciplinary action including suspension or possible expulsion.
2. Testing will be done in a confidential manner.
3. Results of any drug testing will be shared with the student, parent(s), school administration and Wellness Office in a timely manner.
4. Boylan will pay for any random drug testing.
5. Testing may also be done if there is a "reasonable suspicion" of alcohol or drug abuse.
6. The costs of other drug testing, assessment or consequent treatment will be the responsibility of the family involved. Monthly testing is required of any student who has tested positive during random drug testing with the results faxed to the Wellness Office. Monthly testing will end at the discretion of the treatment program.

7. If further assessment or treatment is indicated, a "Release Form" will be required, which is signed by a parent or guardian, to inform school officials of the results.
8. Proof of an appointment for an evaluation must be provided for the student to be readmitted to Boylan. If the student fails to appear for the evaluation, the student will be suspended until an actual appointment has been completed. Proof of completion must be provided to the Wellness Office.
9. The school, at its discretion, may conduct a search of lockers.
10. The school at its discretion may conduct a "sweep" of lockers and /or student automobiles with the assistance of local law enforcement agencies. Such sweeps would utilize dogs trained in the detection of illegal substances.
11. If there is reasonable suspicion of a student possessing banned or illegal substance or contraband (including but not limited to drug paraphernalia), the parent(s) will be notified and a thorough search of the student's school bag(s), locker(s), car and a hands-off search of his /her person will take place.

See the section on "Searches on School Property".(p.30)

CONSEQUENCES FOR USE

1. Parental notification and conference with the administration.
2. Enrollment in and completion of a Boylan approved drug abuse program by a date determined by the administration and paid for by the family. A release form must be signed in order for all providers to be in contact for the wellbeing for the student and school.
3. Student is subject to Boylan's Discipline Code (listed elsewhere).
4. For students involved in athletics, the Athletic Policy will be implemented in addition to the School Discipline Code provisions.
5. Students holding leadership positions in student government or co-curricular activities will be subject to suspension or removal from their position.
6. Students may be prohibited from participation in co-curricular activities.
7. Failure of a subsequent drug test will result in probable expulsion

POSSESSION AND/OR SALE

Students who are determined to be dealing illegal drugs or possess drugs with the intent to deliver drugs on school grounds will be suspended and presented to the Discipline Board for expulsion.

NOTIFICATION OF LAW ENFORCEMENT AGENCIES

The chief administrator of the school, or his or her designee, is required by the School Reporting of Drug Violations Act to report instances of drug violations to local law enforcement officials. The administrator shall also notify the Illinois State Police of "verified incidents involving drugs in the school."

CARE AND INTERVENTION PROCEDURES

Any student who needs support or help regarding drug/alcohol use or knows another student who may need help is encouraged to consult any counselor, teacher, coach or Wellness Office staff member. Confidentiality will be used in dealing with any problems as long as they are not life threatening or in conflict with any applicable State law.

VOLUNTARY ADMISSION OF USE

When a student voluntarily seeks help with drug or alcohol usage, the following procedures are utilized.

1. The Wellness Office will initiate procedures to determine the best course of action and resolution of the problem.
2. The Wellness Office staff will meet with the student. The parent(s) will also be notified.
3. If indicated, the student will be required to undergo an assessment by one of the listed treatment program providers at the parent(s)' expense.
4. A release form must be signed in order for all providers to be in contact for the wellbeing for the student and school.
5. A report of the assessment results must be forwarded to the Wellness Office.
6. If the assessment indicates a treatment program is recommended, the student must cooperate with the program to remain in good standing.
7. The Wellness Office will continue to assist the student and parent(s) and provide follow up services to the student as recommended by the treatment program provider.

8. Students who self-report will not initially be suspended from competition or participation. Those who self-report must do so before being selected for random testing. Self-reporting does not excuse a student from a pending report or investigation of a policy violation.

REFERRALS TO THE WELLNESS OFFICE OR OTHER PERSONNEL

If a student is referred to the Wellness Office or other school personnel such as counselor, teacher or administrator, the following procedures are implemented.

1. The Wellness Office will initiate procedures to determine if a problem exists or the nature of the problem.
2. If it is determined there is reasonable suspicion a student may have a problem with usage, the Wellness Office will meet with the student and the parent(s) will be notified.
3. If indicated, the student will be required to undergo an assessment by one of the listed providers at the parent(s)' expense.
4. A release form must be signed in order for all providers to be in contact for the wellbeing for the student and school.
5. A report of the assessment results must be forwarded to the Wellness Office.
6. If the assessment indicates a treatment program is recommended, the student must cooperate with the program to remain in good standing. Failure to complete said program may result in disciplinary action including suspension or possible expulsion.
7. The Wellness Office will continue to assist the student and parent(s) and provide follow up services to the student as recommended by the treatment program provider.

Illinois High School Association (For 2016-17 School Term)

This summary is for the purpose of assisting in the understanding of IHSA Bylaws and Policies. In case of a conflict between this publication and the constitution and by-laws of the IHSA, the constitution and by-laws shall control.

Key Provisions Regarding IHSA Rules

Eligibility Rules

When you become a member of an interscholastic team at your high school, you will find that both your school and the IHSA will have rules you must follow in order to be eligible for interscholastic participation. The IHSA's rules have been adopted by the high schools which are members of IHSA as part of the Association's constitution and bylaws. They must be followed as minimum standards for all interscholastic athletic competition in any member high school. Your high school may have additional requirements, but they may not be less stringent than these statewide minimums. The principal/official representative of your school is responsible to see that only eligible students represent the school in interscholastic competition. Any question concerning your eligibility should be referred to your principal/official representative, who has a complete copy of all IHSA eligibility rules, including the Association's due process procedure. Only the IHSA Executive Director is authorized to make formal rulings on eligibility, so if your principal/official representative has questions or wishes assistance in answering your questions, the principal/official representative should contact the IHSA Office.

Information contained here highlights some of the most important features of the IHSA by-laws regarding interscholastic eligibility. It is designed to make you aware of major requirements you must meet to be eligible to compete in interscholastic competition.

The information here is only a general

description of major by-law provisions and does not contain the statement of the by-laws in their entirety. You can review the by-laws at www.ihsa.org. Note: If you are interested in finding out more information about a school, contact the principal/official representative or an administrator at the school, not a member of the coaching staff.

9. School Team Sports Seasons

A. Each sport conducted by IHSA member schools has a starting and ending date. Your school may not organize a team, begin practice or participate in contests in a given sport until the authorized starting date. Your school may not continue to practice or participate in contests after the authorized ending date. This means that:

1. During the school year, you may not participate on a non-school team coached by any member of your school's coaching staff unless it meets specific criteria established by the by-laws.
2. No school coach may require you to participate in an out-of-season sport program as a requirement for being a member of a school team.

B. Violation of the sport season by-laws will result in penalty to you and/or to your school's coaching personnel.

10. Playing in Non-School Competition

- A. During the time you are participating on a school team in a sport at your high school, you may neither play on a non-school team nor compete in non-school competition as an individual in that same sport or in any skill of that sport.
- B. If you participate in non-school competition during a sport season and subsequently wish to join the school team in the same sport, you will not be eligible.
- C. If you wish to participate in a competition sanctioned by the National Governing Body, or its official Illinois affiliate for the sport, your principal/official representative must request approval in writing from the IHSA Office prior to any such participation.
- D. You may try out for a non-school team

while you are on your school's team in that same sport, but you may not practice, receive instruction, participate in workouts, or participate in competition with a non-school team in that same sport until you cease being a member of your school's team. You cease being a member of your school's team when the team(s) of which you are a member terminates for the school term.

E. You will become ineligible if you participate on, practice with or compete against any junior college, college or university team during your high school career.

11. All-Star Participation

A. After you have completed your high school eligibility in the sport of football, basketball, soccer or volleyball, you may participate in three (3) all-star contests in any of these sports and still play for other school teams, provided the high school season in that sport has been completed. You may lose your eligibility for other interscholastic sports if you play in all star competition in any of these sports under any other conditions.

B. You are not restricted from participating in all-star competition in sports other than football, basketball soccer or volleyball, except that you may not do so during the school season for the sport.

12. Misbehavior During Contests

- A. If you violate the ethics of competition or the principles of good sportsmanship, you may be barred from interscholastic athletic contests, either as a participant or spectator or both.
- B. If you are ejected from a contest for unsportsmanlike conduct, you will be ineligible for your team's next contest. You are also subject to other penalties.

BOYLAN SCHOOL SONG

**Boylan High School, Boylan High
B-O-Y-L-A-N, Boylan High School
Fight, fight, fight!
The march is on
No brain or brawn
Can stop the charge
Of Titan teams.
Loud rings the cry of Boylan High
Of our attack.
Let loose again,
For now it's hike, hike, hike to victory
The call to rise and strike,
For Boylan High teams will score
When Boylan High hears fight, fight, fight!
Hark to the cheering sounds rising high.
Hark to the roar
As the band goes marching by
Shoulder to shoulder
Bearing our banners high.
Burn bright our fires,
And sing along for Boylan High!
U-rah-rah, Boylan High School!
U-rah-rah, Boylan High School!
U-rah-rah, Boylan High School!
Fight!**
