LEARNING IN THE DIGITAL WORLD

An informative & interactive workshop for parents and students on technology currently utilized at Boylan...

Including:
- The “Moodle”
- E-texts
- Google Drive
- Boylan E-mail
- Family Access
- Apps and more

Presented by:

Mrs. Louise Basile  
Social Science Dept. Chair  
Moodle Administrator  
&

Mr. Joshua Anderson  
Associate IT Director

Save you and your student time and stress later by spending approximately 2 hours learning about and working with the tools that will be used for educational purposes in the classrooms of Boylan.

Participants may bring their own device and use it on the Boylan Network, or request a device be provided (specify below). Enrollment in each session will be limited. Send in your registration and payment promptly to reserve your space.

Enrollment limited by space, first come first served. — For questions please email: lbasile@boylan.org  
A registration confirmation e-mail will be sent once student is registered.

Enrollment deadline is August 1, 2017. — Payment is due with enrollment. — No refunds after August 1, 2017.

<table>
<thead>
<tr>
<th>Student Name(s)</th>
<th>Grade Level (circle): 9 10 11 12</th>
